INTERNSHIPS IN EQUINE MEDICINE & SURGERY (2 POSITIONS)

Applications are presently being accepted for veterinarians interested in an 18 month internship in equine medicine, surgery, reproduction and imaging at the **Randwick Equine Centre**. Two (2) positions are available; **one position commencing February 2018 and one (1) commencing August 2018**.

The Randwick Equine Centre is a large specialist equine clinic operating out of a modern well equipped hospital facility located near Randwick Racecourse. The practice includes registered equine specialists in the fields of surgery, medicine and anaesthesia. The hospital caseload encompasses a combination of referral and primary accessions. Ambulatory stud medicine and reproduction rotations are carried out at Illawarra Equine Centre and Southern Highlands Equine Centre.

The successful applicants will receive experience in the fields of surgery, anaesthesia, medicine, sports medicine/rehabilitation, ophthalmology, reproduction (including ET, frozen and chilled semen) and imaging (radiology, ultrasonography, dynamic respiratory endoscopy and nuclear medicine). The applicants will be involved in the diagnosis and treatment of cases seen on rotation including routine ambulatory, racetrack and supervised after hours work. Applicants must be enthusiastic, motivated and keen to make the most of an 18 month position in a busy high profile equine practice. The practice boasts a strong team atmosphere of young and old with a well-established mentoring program.

Interested applicants are encouraged to visit the practice.

Applications should include:

- a letter of intent
- curriculum vitae (including photo)
- two letters of reference or further
